PROFILE

An actor and a writer with a natural proclivity for emotionally driven/forward roles. Also the capacity for comedy. WAAPA, NIDA Open Program, ACTT, and London Academy of Media Film & TV trained. I also sing, dance and play the flute, and do yoga and pilates. I speak Croatian and Italian (conversational) and am a dual Australian and Croatian citizen. Currently writing a pilot feature film script and I work as a policy writer for the government. In addition, I also make a wickedly delicious coffee.
